Live so that when children
think of fairness,
caring and integrity
they think of you.
- H. Jackson Brown, Jr.

Equal is everyone
getting the same thing.
Fair is everyone
getting what they need to be successful.

Teach all to fish,
but first teach all to be fair.
Take less, give more.
Give more of yourself,
take less from the world.
Nobody owes you anything,
you owe the world everything.
- Suzy Kassem

When you've walked through
that doorway of opportunity,
You do not slam it shut behind you.
You reach back, and you give other folks
the same chances that helped you succeed.
- Michelle Obama

I think perfect objectivity
is an unrealistic goal;
fairness, however, is not.
- Michael Pollan

The future which we hold in trust
for our own children
will be shaped by our fairness
to other people's children.
- Marian Wright Edelman
